RT1000 front

RT1000

The RT1000 meets the demands of the motorsport enthusiast, with all the function but none of the frills. Weighing in at a lean 8.9kg and homologated to FIA standards, grab a couple today and get racing.

FEATURES

- Fibreglass shell construction with a glossy black gel-coat
- Suitable for road or competition use
- Ideal for smaller classics where cabin width is limited
- Enhanced thigh support
- FIA homologated to 8855-1999 standards
- Side mounted with RTB1005M or RTB1003S brackets (sold separately)

SIZES AVAILABLE

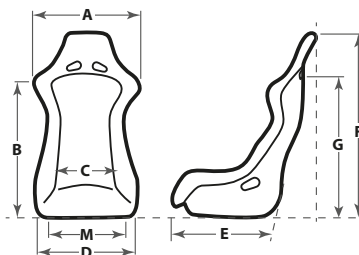

RT1000 - standard size
